Revision: December 2023

The following terms and conditions shall apply to all contracts between ERIKS Industrial Services Limited and the Supplier in relation to the purchase by ERIKS of any and all Goods and Services. Definitions used in these Conditions are set out in clause 10.

1. Supply of Goods

1.1 The Supplier shall ensure that the Goods shall:

1.1.1 correspond with their description and any applicable Goods Specification;

1.1.2 be of satisfactory quality (within the meaning of the Sale of Goods Act 1979) and fit for any purpose held out by the Supplier or made known to the Supplier by ERIKS, expressly or by implication, and in this respect ERIKS relies on the Supplier's skill and judgment;

1.1.3 where samples have been approved or provided by ERIKS, at least equal in all respects to such samples;

1.1.4 where applicable, be free from defects in design, materials and workmanship for a minimum of 12 months after delivery; and

1.1.5 comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling and delivery of the Goods.

1.2 Where the Supplier is not the manufacturer of the Goods, the Supplier shall transfer to ERIKS the benefit of any warranty or guarantee given to the Supplier.

1.3 The Supplier shall ensure that at all times it has and maintains all the licences, permissions, authorisations, consents and permits that it needs to carry out its obligations under the Contract in respect of the Goods.

1.4 The Supplier shall ensure that at all times it shall comply with;

1.4.1 ERIKS' Code of Conduct for Suppliers and Business Partners;

1.4.2 ERIKS' Anti-Bribery policy; and

1.4.3 ERIKS Modern-Slavery policy;

copies of which are available on ERIKS website and/or on request.

1.5 ERIKS shall have the right to inspect and test the Goods at any time before delivery.

1.6 If following such inspection or testing ERIKS considers that the Goods do not conform or are unlikely to comply with the Supplier's undertakings at clause 1.1, ERIKS shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance.

1.7 Notwithstanding any such inspection or testing, the Supplier shall remain fully responsible for the Goods and any such inspection or testing shall not reduce or otherwise affect the Supplier's obligations under the Contract, and ERIKS shall have the right to conduct further inspections and tests after the Supplier has carried out its remedial actions.

2. Delivery of Goods

2.1 The Supplier shall ensure that:

2.1.1 the Goods are properly and safely packed and secured in such manner as to enable them to reach their destination in good condition;

2.1.2 each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order number (if any), the type and quantity of the Goods (including the code number of the Goods (where applicable)), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and

2.1.3 if the Supplier requires ERIKS to return any packaging material for the Goods to the Supplier, that fact is clearly stated on the delivery note. Any such packaging material shall only be returned to the Supplier at the cost of the Supplier.

2.2 The Supplier shall deliver the Goods:

- 2.2.1 on the date specified in the Order or, if no such date is specified, then within five days of the date of the Order;
- 2.2.2 to ERIKS's premises at ERIKS, Seven Stars Road, Oldbury, West Midlands, B69 4JR or such other location as is set out in the Order or as instructed by ERIKS before delivery ("**Delivery Location**");
- 2.2.3 during ERIKS's normal hours of business, or as instructed by ERIKS.

2.3 Delivery of the Goods shall be completed on the completion of unloading of the Goods at the Delivery Location. The Supplier shall ensure that Goods are unloaded safely and so as not to cause a hazard.

2.4 If the Supplier:

- 2.4.1 delivers less than 95 per cent of the quantity of Goods ordered, ERIKS may reject the Goods; or
- 2.4.2 delivers more than 105 per cent of the quantity of Goods ordered, ERIKS may at its sole discretion reject the Goods or the excess Goods,

and any rejected Goods shall be returnable at the Supplier's risk and expense. If the Supplier delivers more or less than the quantity of Goods ordered, and ERIKS accepts the delivery, a pro rata adjustment shall be made to the invoice for the Goods.

2.5 The Supplier shall not deliver the Goods in instalments without ERIKS's prior written consent. Where it is agreed that the Goods are delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all or any defect in an instalment shall entitle ERIKS to the remedies set out in clause 4.1.

2.6 Title and risk in the Goods shall pass to ERIKS on completion of delivery.

2.7 The Supplier shall ensure that ERIKS are not liable for the cost of any import or export tariffs, taxes and duties and that all, laws, regulations and codes relating to import and export controls are complied with.

3.3.7 obtain and at all times maintain all necessary licences and consents, and comply with all applicable laws and regulations;

3.3.8 observe all health and safety rules and regulations and any other security requirements that apply at any of ERIKS's premises or the sites of ERIKS' customers where the Supplier may be required to work;

- 3.3.9 hold all materials, equipment and tools, drawings, specifications and data supplied by ERIKS to the Supplier ("**ERIKS Materials**") in safe custody at its own risk, maintain ERIKS Materials in good condition until returned to ERIKS, and not dispose or use ERIKS Materials other than in accordance with ERIKS's written instructions or authorisation;
- 3.3.10 not do or omit to do anything which may cause ERIKS to lose any licence, authority, consent or permission upon which it relies for the purposes of conducting its business, and the Supplier acknowledges that ERIKS may rely or act on the Services; and
- 3.3.11 not act in a manner which will bring or is likely to bring ERIKS into disrepute or is adverse to the interests of ERIKS.

- 6. Charges and Payment**
- 6.1 The price for the Goods:
- 6.1.1 shall be the price set out in the Order, or if no price is quoted, the price per unit for the Goods in ERIKS' most recent Order for identical Goods; and

Unless otherwise agreed in writing by ERIKS, the charges shall include every cost and expense of the Supplier directly or indirectly incurred in connection with the performance of the Services.
- 6.3 In respect of Goods, the Supplier shall invoice ERIKS on or at any time after completion of delivery. In respect of Services, the Supplier shall invoice ERIKS on completion of the Services. - 6.5 All amounts payable by ERIKS under the Contract are exclusive of amounts in respect of valued added tax chargeable from time to time ("**VAT**"). Where any taxable supply for VAT purposes is made under the Contract by the Supplier to ERIKS, ERIKS shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Goods and/or Services at the same time as payment is due for the supply of the Goods and/or Services. In line with Clause 2.7 all other import and export tariffs, taxes and duties will be paid by the Supplier.
- 6.6 If a party fails to make any payment due to the other party under the Contract by the due date for payment, then the defaulting party shall pay interest on the overdue amount at the rate of 4% per annum above the Bank of England's base rate from time to time. Such interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. The defaulting party shall pay the interest together with the overdue amount.
- 6.7 The Supplier shall maintain complete and accurate records of the time spent and materials used by the Supplier in providing the Services, and the Supplier shall allow ERIKS to inspect such records at all reasonable times on request.
- 6.8 ERIKS may at any time, without limiting any of its other rights or remedies, set off any liability of the Supplier to ERIKS against any liability of ERIKS to the Supplier, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under the Contract.
7. **Intellectual Property Rights**
- 7.1 In respect of the Goods and any goods that are transferred to ERIKS as part of the Services under this Contract, including without limitation the Deliverables or any part of them, the Supplier warrants that it has full clear and unencumbered title to all such items, and that at the date of delivery of such items to ERIKS, it will have full and unrestricted rights to sell and transfer all such items to ERIKS.

- 7.4 The Supplier shall, promptly at ERIKS's request, do (or procure to be done) all such further acts and things and the execution of all such other documents as ERIKS may from time to time require for the purpose of securing for ERIKS the full benefit of the Contract, including all right, title and interest in and to the Intellectual Property Rights assigned to ERIKS in accordance with clause 7.2.

damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) suffered incurred by ERIKS as a result of or in connection with:

- 8.1.1 any claim made against ERIKS for actual or alleged infringement of a third party's intellectual property rights arising out of, or in connection with, the manufacture, supply or use of the Goods, or receipt, use or supply of the Services, to the extent that the claim is attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors;
 - 8.1.2 any claim made against ERIKS by a third party for death, personal injury or damage to property arising out of, or in connection with, defects in Goods, to the extent that the defects in the Goods are attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors; and
 - 8.1.3 any claim made against ERIKS by a third party arising out of or in connection with the supply of the Goods or the Services, to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of the Contract by the Supplier, its employees, agents or subcontractors.
- 8.2 This clause 8 shall survive termination of the Contract.

Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
- 17.4 **Waiver.** A waiver of any right or remedy under the Contract or law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.
- 17.5 **No partnership or agency.** Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, nor constitute either party the agent of the other for any purpose.
